FOR IMMEDIATE RELEASE

Caltrans schedules repairs on I-80/I-680 in Solano County

Solano County – Beginning Monday, March 23 the California Department of Transportation (Caltrans) will conduct asphalt repairs on segments of Interstate 80 and Interstate 680 in Solano County.

The work will commence Monday, March 23 with repairs in the #2 lane of southbound I-680 from the Lake Herman Road exit to the Bayshore on-ramp and southbound Industrial off-ramp.

On Tuesday March 24, work crews will fix sections of the #5 lane of eastbound I-80 from the Suisun Valley overcrossing to the Truck Scales and eastbound Suisun Valley Road on-ramp.

On Wednesday, March 25 and Thursday, March 26 the repair work will continue on westbound I-80 beginning from the area near Lynch Canyon Road to the American Canyon Road overcrossing. On March 26, work on this segment will also require closure of the American Canyon Road off ramp in the westbound direction of I-80.

On each day, the lane closures will be from 9 a.m. to 2 p.m., except for March 24 when the closure on eastbound I-80 will be from 9 a.m. to 1 p.m.

Changeable message signs will be activated to alert motorists driving through the area. Motorists are advised to please “Slow For The Cone Zone.”
